D.O. letter No.R.F.244-41/Judl., dated 11th August 1941 from Major A.E.H.Macann, Secretary to the Hon'ble the Resident in Mysore to the Chief Secretary to Government.

The Civil and Military Station Police find considerable difficulty in identifying motor vehicles registered in Hyderabad State since these vehicles carry registration marks and numbers written in Urdu. Unless a Police officer is proficient in Urdu it is impossible for him to note the registration marks of these vehicles, particul rly if they are moving ~~x~~ fast. I am desired to ask whether the State Police have found this difficulty too and whether the Mysore Government consider it advisable to take action to require number plates in English to be displayed. Perhaps you would discuss the matter with me some time.

This question had also come up before the Traffic Board. After some discussion the question was dropped as some delicacy was felt in the matter. The Court -- language in Hyderabad is Urdu and their rules seem to require registration mark of motor vehicles to be displayed only in Urdu. Further, these cars pass through British India before coming to Mysore and there does not seem to be any objection in British India to the number plates appearing in ~~British India~~ Urdu. As the Inspector-General of Police has also pointed out the inconvenience in identifying the vehicles, the Hyderabad Government may be addressed through the Residency suggesting that the motor vehicles registered in Hyderabad may be asked to display in the number plates the letters and numerals

Identification in the Mysore State of motor vehicles registered in the Hyderabad State and carrying registration marks in Urdu.

With reference to your letter No.R.F.244-41/ Judl., dated the 5th January 1942, I am directed to inform you that H.E.H. the Nizam's Government who were addressed in the matter, have stated that the change in the existing law relating to motor vehicles effected by the Mysore Residency and the Mysore Government has apparently been made on the assumption that motor vehicles registered in His Exalted Highness' Dominions have registration marks and numbers written only in Urdu, whereas the Hyderabad Law actually requires that the front number plate shall be in English and the rear plate in Urdu. They accordingly think that the danger of unnecessary detention of motor vehicles for identification purposes is not likely to arise, and trust that in the circumstances explained above the Hon'ble the Resident in Mysore and the Mysore Government will see their way to make an exception in the case of motor vehicles registered in Hyderabad and will not meanwhile take proceedings against owners whose cars comply with the Hyderabad Rules, extracts of which are enclosed.
